

Caswell Dunes – Parking Information

All vehicles must fit within a designated parking space or carport

Vehicles without a decal or guest tag will be towed at vehicle owner expense

No parking on grass/lawns or roadsides.

Boats, trailers, Recreational Vehicles, etc. must fit fully within the carport; They may not be parked in common parking areas

Multiplex units: The unit's primary parking is the carport and garage; Each unit is allowed 1 additional, common parking spot per unit. Cars that do not fit in the carport, garage and 1 additional common parking spot must be parked in the overflow parking at the Hilltop Pool on Foxfire Trace

Village units: On street parking is allowed for short term (72 hours)

All vehicles of owners and guests/renters must display appropriate parking decals or guest tags that clearly indicate the unit (# and street name)

Use the hilltop pool parking area for SHORT TERM overflow parking (DO NOT use the lap pool parking area on Greenview Drive, as space is limited and the available spots are for pool patrons) – vehicles in overflow parking MUST display a valid parking decal or guest tag that clearly indicates the unit (# and street name)

Do not park your vehicle in the parking area for another unit/building
