

Caswell Dunes Owners:

Hello Neighbors!

The Caswell Dunes Clubhouse will now remain open during the (3) days that Joe is working onsite each week. He will unlock the door when he arrives in the morning, and the door will remain unlocked until Joe leaves for the day. If you require entry on the days that Joe is not onsite, please send a request to caswelldunes@outlook.com or call the LRES office at **910-454-0700** to obtain the access code. Please note that the code will only be provided Monday-Friday during LRES business hours.

As there is limited space in the parcel box locker at the mail kiosk, the mail carrier will place larger boxes in the clubhouse that are unable to fit in the parcel box. If you have received a notification that your package(s) have been delivered and they are not in the parcel box at the mail kiosk, please check the clubhouse for your items.

With the clubhouse now more accessible to the community, please note that several wireless security cameras have been installed in an effort to ensure the clubhouse remains free of damage and contents remain secure.

Respectfully,
LRES Association Management
Caswell Dunes BOD
